

- Season Pass Teams are those teams that faithfully support the Minnesota Tournament Trail by signing up and committing to fish five or more events BEFORE registration closes for their first event of the season. You CANNOT sign up for the Season Pass after that deadline.

- Season Pass teams are committed to paying for all events they sign up for, even if something happens that prohibits their attendance.

- Season Pass teams WILL NOT be given preferential treatment by the MTT that could provide a competitive advantage in any event (such as placing better or starting earlier). We believe strongly in maintaining a level playing field for all.

- Season Pass teams (only) will be allowed to designate a substitute member for use in case a team member is UNABLE to attend, with the following restrictions:

- A designated substitute must be identified in advance—by full legal name—with the MTT PRIOR to the team fishing their first event, unless otherwise approved by the MTT.

- The regular team member must be UNABLE to attend.

- Substitute team members cannot be—nor have ever been—a professional guide, nor may they have won a state, regional, or national event on the body of water for which they are being used.

- If the substitute is not activated, they may not be in the boat during tournament hours. In no case will more than two team members be actively fishing in any boat during tournament hours.

- Tournament Officials (whose decisions are final) must agree that:

- a.) The original partner CANNOT attend, and

- b.) The designated substitute is not a “ringer” or local expert. Tournament Officials must investigate and approve all substitutions on a case-by-case basis.

- IF ALL conditions are met and receive official approval, an official team substitute may replace a team member who CANNOT attend, and team points will NOT be lost.

- Please use this benefit as intended—to keep you fishing when your partner is UNABLE and CANNOT attend an event. It is NOT intended to give you a substitution to gain a competitive advantage and will not be allowed for that purpose.

- NEW FOR 2026 — Teams that sign up for the Season Pass will also receive an exclusive Season Pass gift! (Our intention is to provide a logoed Whitewater Jacket or Vest.)
